

Cancellation Policy

If you are unable to attend an appointment, we request that you provide at least 24 hours advanced notice to our office. Since we are unable to use this appointment for another patient, please note that you will be billed \$25 for a regular appointment, \$50 for a cosmetic appointment, \$75 for an excision, and \$350 for Mohs surgery, if not timely cancelled, unless such a cancellation is due to illness or an emergency.

For cancellations made with less than 24 hours' notice (unless due to illness or an emergency) for a scheduled appointment, you can either pay over the phone or you will be mailed a bill directly.

We appreciate your help in keeping the office schedule running timely and efficiently.
